

# *Event makes a 'splash'*

Daniel Winningham/Regional News

**FOURTEEN** two-person teams competed in Saturday's inaugural Scleroderma Splash, which was organized by Badger's Leadership Dynamics class. Ryan Bensheimer (in kayak) and Dave Schuster (jogging) begin their journey back to Library Park as they leave Big Foot beach. The duo placed second overall in the adventure race. The event also included concessions, raffles and live music at Library Park. See more event photos next week.
